

Orlando World Center Marriott Package Shipping Instructions

PREPARING YOUR SHIPMENT

FedEx Office is committed to providing you with an outstanding experience during your stay. All guest and event packages being shipped to the hotel must follow the address label standards (illustrated below) to prevent package routing delays. Please schedule your shipment(s) to arrive 3–4 days prior to the event start date to avoid additional storage fees. Use the name of the recipient who will be on-site to receive and sign for the package(s). Please do not ship any items to the attention of the Hospitality Manager or Catering & Conference Manager, unless the items are specifically for their use (i.e., hotel specifications, rooming lists, signed documents); this includes any room drops or deliveries to any other area of Orlando World Center Marriott.

Shipments are held for a limited number of days. If a package has not been picked up and no contact information is provided, the package will be returned to the sender, who will be responsible for all additional shipping fees. For more information on package retention, the Return to Sender process, or to schedule package deliveries, please contact the FedEx Office Business Center at **407.239.6411**. Package deliveries should only be scheduled after the recipient has checked into the hotel.

Orlando World Center Marriott Decorator Package Shipping Instructions

DECORATOR SHIPPING INSTRUCTIONS

FedEx Office is proud to be a partner of Orlando World Center Marriott in offering Guest Package Services onsite. This service includes receiving all inbound packages shipped to the hotel's physical address. FedEx Office staff is onsite in both the Business Center and the Parcel Office to meet the needs of the guests and employees of the hotel.

FedEx Office understands the role of the Decorator. As such, a customized workflow has been created to allow FedEx Office to effectively operate the parcel area of the property without impeding the work of the Decorator.

INBOUND PACKAGES

Two different options are available for every Decorator package arriving at the property's loading dock.

A. Immediate Release Packages

Provided that the Decorator is on the property and ready to take possession/custody of the packages upon their arrival, FedEx Office will complete an immediate release of the Decorator labeled packages to the Decorator as soon as packages are received from the carrier.

B. Received and Processed Packages

Any Decorator packages received and processed by FedEx Office that are stored overnight will incur applicable receiving fees. Payment by the Decorator will be required at time of package release. As a sign of our partnership with Decorators, we are pleased to offer discounts of the retail handling fees assessed on processed packages.

To provide a seamless experience for guests, and reduce confusion regarding package locations, Decorators are encouraged to emphasize the offsite receiving address for event shipments. This workflow will avoid FedEx Office handling fees on Decorator packages delivered directly to the property.

OUTBOUND PACKAGES

FedEx Office is available to setup an outbound shipping desk within or nearby the meeting space to handle outbound shipments, as long as advanced notice and approval is provided during the event planning stages. Outbound handling fees apply to all outbound packages taken into possession by FedEx Office.

Please note: Outbound handling fees are applied to all packages, regardless of carrier, and are assessed in addition to the shipping/transportation charges.

Orlando World Center Marriott After Hours Guidelines

LOCATING PACKAGES USING OUR ONLINE PACKAGE VIEWER

FedEx Office is pleased to offer hotel associates access into our package tracking database for the purposes of searching for guest or event packages outside of normal business hours. This access must never be given to a guest of the hotel or event participant due to confidentiality and security protocol. Access to the website is restricted to searching for and viewing information about guest or event packages. Retrieving packages from our secure space after hours is optional and not required by FedEx Office. Please refer to the Online Package Viewer Instructions document for further training.

AFTER HOURS PACKAGE RETRIEVAL FOR HOTEL GUESTS ONLY

Occasionally, guests are unable to claim their packages during normal business hours and will request the hotel provide them access to their packages during non-business hours. If the hotel decides to retrieve these packages, the following guidelines must be followed to maintain the appropriate chain of custody and secure access to the FedEx Office space. Failure to consistently follow these guidelines may cause FedEx Office to rescind after hours access to guest package storage areas, requiring guests to return during normal business hours.

[After entering FedEx Office's package storage room and prior to any package removal, locate and follow the instructions on the posted signs.](#)

CAGE:A02 = package is located on the 2nd shelf of rack "A" in the parcel cage area

BC:D01 = package is located on the 1st shelf of rack "D" in the business center storage area

[Once you have gained access to the secure location, locate the following posted documents](#)

▷ **Entry Access Log**

Print and sign your name and how many packages are being removed even if no packages are taken out.

▷ **After Hours Consolidated Package Report**

A complete list of every package in our possession. It is required that the person removing packages from our secure location, prints and signs for EVERY package removed. If all packages for one recipient are removed, one signature is acceptable as long as you indicate how many packages were removed on the After Hours Access Log.

▷ **After Hours Fees Slip**

A slip that should be given to the guest to indicate which handling fees will be charged to their room the next business day. **Non-hotel guests are not authorized to retrieve packages after hours due to our inability to charge fees to their guest room folio. Please inform them that they will need to come back during normal business hours and speak with a team member.**

ACCEPTING OUTBOUND PACKAGES AFTER HOURS

During normal business hours, guests seeking to ship packages should be directed to the FedEx Office Business Center. If a hotel guest or event participant needs to ship a package during non-business hours, please follow the guidelines below:

▷ **Provide guest with a blank shipping airbill form**

All outbound packages must have a completed carrier airbill attached to each package. FedEx Express® shipping boxes and airbill forms are available and complimentary in the business center. Outbound packages to be picked up by a third party courier should be coordinated in advance with a FedEx Office team member. Outbound handling fees will be applied to all packages, regardless of carrier, in addition to shipping/transportation fees. The guest will need to provide their own shipping airbill form or pre-printed label for all other carriers, in addition to a contact name and phone number.

▷ **Place the guest's package and airbill shipping form in the designated location**

FedEx Office will provide a secure staging location or will "sweep" these packages from a designated location each day. Please provide the guest a copy of our outbound handling fees. **Do not accept outbound packages from non-hotel guests.**
