

# CLASSIC ELEGANCE

## A new take on a classic idea

This classic elegance experience transforms any ballroom into an exquisite atmosphere. Crushed fabric on orange and copper surrounds the room, creating warmth and dimension. This intimate setting is magnificently decorated with leather sofas and chairs featuring green accent pillows. Beautiful glass tables and chic barstools add flair to the design. Rich wood shelving, bars, and barbacks add stunning detail. Accenting mirrors, glass block and floral centerpieces, and assorted candles provide some of the finishing touches to this elegant room.

A spectacular focal point in this room is our stunning 12' iron tree with cascading floral designs. This incredible piece of art is certain to catch the eye. Experience for yourself what a touch of elegance, combined with modern flair can do for your next event.

Redefine the elegant look of yesterday into an experience for tomorrow...today.

Classic lines, rich woods, earthy colors, and spectacular pieces of art unite in an incredible design experience.
