

Attendees can walk to events from these hotels

## **Orlando World Center Marriott**

Marriott's largest property completed an extensive multimillion-dollar renovation in July. Poolside suites got a facelift, guest rooms in the North Tower were completely refurbished and meeting rooms were enhanced with improved Internet connectivity.

With more than 450,000 sq. ft. of meeting space, the Marriott is equipped to host every type of event imaginable. The Cypress Ballroom offers 105,000 sq. ft. of pillar-free space. The 28-story property offers 2,009 guest rooms and suites.

One of five Marriott hotels in the United States that offers the Meetings Imagined online platform, which provides tips and resources for event managers.
