

UNDERWATER PARADISE

Turn any Ballroom into a Fantasea!

As guests step inside this undersea paradise they find themselves immersed in a sea of magnificent color. Spandex murals around the room depict different images of sea life, while scenes of underwater video are projected on walls. Overhead, brightly colored fish, jelly fish, and an octopus “swim” high above, adding to the grand illusion below the surface. Blue and green sea colored linens and custom centerpieces add the finishing touches. Leko lights, colored gel up lights, and flowing H2o lights add to the ambiance in the room.

Power skippers and winged performers in incredible seas life costumes entertain guests with their undersea movements. This interactive extravaganza will whisk you away, deep below the ocean’s surface to a magical and colorful world. Let Fantasea whisk you away for your next event.
